"To me, Christianity is about ecstasy, a dimension of inexpressible wonder of love that has no boundaries, no restraints."

King Oehmig was a noted Christian author and scholar who served parishes throughout the South for over three decades.

His other passion was golf.

As coach at Chattanooga's Baylor School, King garnered 21 TSSAA titles and was named National Girls' Golf Coach of the year in 2007. The MetMin King Oehmig Memorial Classic serves as a lively tribute to his sense of community and service:

**"total un-hand-cuffed love."
